## What this page is about...

It's about us! Dartmouth's great class of '67. It's about what we love, what we like, and what we don't. It's about what we do, what we won't do, and what we don't do anymore. It's about growing old, staying young, and knowing where and who we are. It's about what we have in common and what makes us unique and what we expect from ourselves and from each other. Class of '67 this is your homepage.
